Shawn Christopher Shea is an internationally acclaimed innovator in the fields of clinical interviewing, suicide assessment, and the creation of the therapeutic alliance. Dr. Shea has given over 850 presentations worldwide including venues such as the Cape Cod Symposium, the Santa Fe Symposium, and the Psychiatric Congress. He is the author of seven books and numerous articles, including the classic text *The Practical Art of Suicide Assessment*. He is one of the few elite authors who has had four different books chosen for Doody's Core Titles List (formerly known as the Brandon/Hill List) as one of the most important books in the fields of psychiatry and/or medicine.

Dr. Shea is the Director of the Training Institute for Suicide Assessment and Clinical Interviewing (www.suicideassessment.com). He was formerly the Director of the Diagnostic and Evaluation Center at Western Psychiatric Institute and Clinic at the University of Pittsburgh where he was also the Associate Residency Director. Dr. Shea was the developer of the Dartmouth Interviewing Mentorship Program and is currently in private practice.

Psychiatric Interviewing: The Art of Understanding, 3rd Edition

A Practical Guide for Psychiatrists, Psychologists, Counselors, Social Workers, Nurses, and Other Mental Health Professionals

By Shawn Christopher Shea, M.D.

British Medical Association's 2017 Book of the Year in Psychiatry! 5-Star Book On Doody's Core Titles List In Psychiatry, 2017

"Enormously practical, elegant in execution . . . every page holds clinical wisdom . . . I can think of no better first book for any trainee in mental health. . . . **I have never seen such great teaching videos on soliciting suicidal ideation.** They are a treasure . . ."

From the Foreword by: **Jan Fawcett, M.D.**

(Recipient of Lifetime Achievement Award, American Association of Suicidology)

"Dr. Shea has done the impossible - written a text that works for bachelors, masters, and doctoral level social workers . . . **The accompanying videos are the most amazing instructional videos I've ever seen** . . . I hope this text gets adopted in every school of social work."

Jonathan B. Singer, Ph.D., LCSW

Associate Professor School of Social Work, Loyola University, Chicago
 Founder and host, Social Work Podcast

"**I can't recommend this book enough.** It will infuse passion and curiosity in your students. It will be a resource they will return to for learning in years to come."

Palmira Brouwer R.N. BscN, MA (psychology)

Department of Psychiatric Nursing, Douglas College, British Columbia, Canada

"Year after year my master level counseling students have raved - and I mean raved about Shea's textbook - and this Third Edition looks to be even better! **I know of no book that better prepares a student for actual clinical practice.**"

Dottie R. Morris, Ph.D.

Chief Officer of Diversity and Multiculturalism, Keene State College
 Former Director of Student Affairs for the Clinical Mental Health Counseling Program at Antioch University of New England

". . . I would recommend enthusiastically to all graduate students in psychology . . . Shea's book provides a highly satisfying introduction to the core principles of clinical interviewing and much more . . . **you have a book, whose shelf-life will be measured not in years, but decades.**"

Lawrence A. Welkowitz, Ph.D.

Co-Editor, *Asperger's Syndrome: Intervening in Clinics, Schools, and Communities*

Hardback includes ExpertConsult e-book with over 7.5 hours of streaming online video and 5 bonus chapters!

- **Packed with sample questions, illustrative interview excerpts, and video modules.**
- Comprehensive chapters on topics - often not adequately covered in clinical interviewing textbooks - such as **cross-cultural interviewing, nonverbal communication, wellness interviewing, and motivational interviewing.**
- Multiple chapters on how to **sensitively arrive at a DSM-5 differential diagnosis.**
- Riveting chapters on **suicide/violence assessment and uncovering taboo topics** such as incest, domestic violence, substance abuse, and antisocial behavior.
